Get booked in

If your vehicle has been in an accident and is still driveable, talk to your insurance broker about whether AMI MotorHub can be used for your vehicle repair.

As an NZI customer your insurance broker will manage the booking and coordinate with your local AMI MotorHub location if your repair is suitable for this service.**

AMI MotorHub is an innovative vehicle repair service providing quick turnaround and high quality, non-structural repairs using modern technology.

For up to date locations, please refer to the **[AMI MotorHub website](#)**

* When parts are immediately available.

** An assessment carried out by the AMI MotorHub team will determine whether the vehicle repair can be completed at a AMI MotorHub facility.
